**Earn FREE CMEs Via ASN Expertise Webinar Series**

Thanks to an incredible partnership between ASN and [Dr. Laszlo Mechtler](#) at the [DENT Neurologic Institute](#), the [ASN Expertise Webinar Series](#) is offered semi-monthly and include presentation, discussion, and open dialogue on imaging cases that align with

the ongoing evolution of imaging as a key biomarker in precision medicine and the burgeoning world of neurotherapeutics, informatics, and AI.

The [ASN Expertise Webinar Series](#) is scheduled semi-monthly on Fridays at 12 Noon (EST) and offer **FREE** CME credit to the ASN community.

Dr. Patrick Capone will present "Imaging of CNS Infections" on Friday, September 27th at 12 p.m. For the Zoom link, [click here](#).

### **Making Your Money Grow: A Guide for Physicians**

Despite their high earning potential, physicians often find themselves facing unique challenges when it comes to wealth accumulation. However, with the right strategies and mindset, physicians can navigate these challenges and achieve financial independence. Andrew Albano, Jr., DO, MBA, shares strategies for wealth accumulation that are tailored to physicians' unique financial circumstances.

### **Meet Your ASN Team**

The ASN Board of Directors changed management companies in May 2024. The new team is located in South Carolina.

## **EXECUTIVE DIRECTOR**

### **Tammy Whaley**

**Tammy has an extensive background in media and public relations, crisis management, special event planning, fund development, and association management. She has worked in journalism, healthcare, higher education, and with non-profits. Contact her at [tammy@asnweb.org](mailto:tammy@asnweb.org).**

## **MEMBERSHIP DIRECTOR**

### **Andrea Powell**

**Andrea has worked in the non-profit field for over 15 years as a database administrator in healthcare and higher education. She holds a Master's Degree in Healthcare Administration. Contact her at [andrea@asnweb.org](mailto:andrea@asnweb.org).**

## **MARKETING DIRECTOR**

### **Katie Scott Walling**

**Katie has been in marketing since 2013, with extensive experience in all facets of the industry. She serves ASN through social media efforts, graphic design capabilities, and website development.**

### **New Parkinson's Disease Gene Discovered**

A new gene for early-onset Parkinson's disease (PD) has been identified, a discovery that experts believe will have important clinical implications in the not-too-distant future. The findings unequivocally link defective PSMF1 to early-onset PD and neurodegeneration and suggest mitochondrial dysfunction as a mechanistic contributor. [Read more.](#)

### **Negotiating Your Physician Employment Contract**

No matter where you are in your career, negotiating your employment contract is key to maximizing your earnings and opportunities. It is important to consider the employment offer and prospective health care employer in totality, weighing both the positives and the negatives. [Read more.](#)
